

# SIDIM DESIGN SHOW

2019, SEPTEMBER 12.13.14  
PLACE BONAVENTURE

## JOIN THE 31<sup>ST</sup> EDITION OF THE MONTREAL DESIGN SHOW THE DESIGN HAPPENING OF SEPTEMBER!

**Montreal, 2019 April 10<sup>th</sup>** – From **September 12 to 14**, the **31<sup>st</sup>** edition of the **Montreal Design Show** will take place at **Place Bonaventure**. An essential cultural event in terms of design and lifestyle, the SIDIM offers all the information and inspiration to create the environment that corresponds to your personality and allow you to improve your living environment and your well-being.

### A 100% three-day-design fair

Each year, this major design event in Canada is a unique chance to reach directly manufacturers and designers. At one time and place, you will find key stakeholders for your future projects.

In our impersonal technological world, the SIDIM has become a privileged place for exchanges and meetings. Whether you have a renovation or construction project in mind, or simply want to update your décor, our exhibitors are waiting for you to present you the new trends in interior and exterior design.

**From September 12 to 14, make the Montreal Design Show your cultural outing and connect with more than 300 professionals and devoted companies!**

### 2019 THEMATIC'S

#### DISCOVERY & LIVING SPACES

##### House's novelties

Manufacturers, cabinetmakers and products' designers will present their new products to inspire your living space projects.

#### HUMAN SPACES

##### Let's humanize our spaces

Discover a typical day in tomorrow's offices with a design perspective.

#### LIGHTING & SMART ENVIRONMENT

##### When technology and design unite themselves for a bright and easier life

Lighting design and the integration of new technologies will be interconnected in this redesigned thematic space, reflecting the latest innovations of this effervescent sector.

### About the DESIGN SHOW

Created in 1989 and orchestrated by the PID Agency, the SIDIM is the largest gathering of designers in Canada. Recognized as one of the most stylish and design fairs in North America, the **DESIGN SHOW** is a must-see showcase where visitors can attend new product launches, discover the latest trends in design and style, as well as making fascinating encounters.

**The DESIGN SHOW is a cultural rendez-vous and a multitude of discoveries!**

### THE SIDIM MARKET

#### Objects that embody beauty

Fifty Quebec designers and artisans will present their products... More than 250 products will be FOR SALE during the whole three-day-show!

#### A whirlwind of attractions and activities

Because the **DESIGN SHOW** is also an opportunity to make a thousand and one fascinating encounters in a festive atmosphere, we have developed brand-new attractions and activities. Launches, competitions and a giant 5 to 8 will provide opportunities for professionals, business people and design lovers to speak directly to experts chosen for the quality of their products, as well as their expertise in the design and architecture industry.

On Friday, **September 13<sup>th</sup>**, take part in our famous **Design Rendez-vous cocktail** which **will thrill the Place Bonaventure** to the rhythm of design and turn it into a giant 5 to 8! Have a drink with design professionals, business people and their customers, manufacturers and artists, and take part in Montreal's largest design networking.

#### Industries and business people:

Thursday, September 12 – 12 pm to 6 pm

Friday, September 13 – 10 am to 8 pm

#### Open for all:

Saturday, September 14 – 10 am to 5 pm
